Investments in students, educators and classrooms have an enormous return for our state. The long-term prosperity of Arizona depends on greater levels of educational attainment that will lower crime rates, improve personal health and create more resiliency to the economy. The Roadmap for P-20 Education Funding helps guide this future. #Road2Equity <http://bit.ly/AZEdRoadmap>

The Roadmap for P-20 Education Funding represents the major investments needed at every level. Coupled, with effective instruction, policy, & strategy implementation, these investments will advance Arizona's shared education goals and close the achievement gap. #Road2Equity <http://bit.ly/AZEdRoadmap>
